

## 1994 National and Provincial Elections

After the 1994 elections, the names of four provinces were changed. The province referred to as Eastern Transvaal became Mpumalanga, Northern Transvaal became Northern Province, Orange Free State became Free State and PWV (Pretoria-Witwatersrand-Vereeniging) became Gauteng.

**Please note:**

The current IEC did not run the 1994 elections, it was run by a temporary electoral commission. For this reason, this is the only election data we have for the 1994 elections.

### National Results
