Dear Justice Moseneke

It is with great pleasure that I attach CASAC's submissions covering the factors that we believe impact on the likelihood that the forthcoming local government elections will be free, fair and credible.

We hope that this submission will be of some assistance as you execute the mandate that you have been given by the Electoral Commission. We are at your disposal should you deem it appropriate for us to supplement this with an oral presentation at hearings that you are scheduled to hold.

We wish you every success in completing this important task.

Yours sincerely

Lawson Naidoo
Executive Secretary
