SUBMISSION ON FREE AND FAIR LOCAL GOVERNMENT DURING COVID

Dear Sir/Madam

We hereby would like to take this opportunity to thank the commission to invite us to comment as per the invitation, as per our observation particularly The May By Elections 2021 we have participated in the mentioned By Elections We have observed maximum professionalism on the part of the electoral commission in following COVID 19 Regulations including various political parties

This Amongst Other stake holders the police have as well played a very important role in ensuring compliance

The voters went out wearing masks social distancing at various voting stations were observed and proceeded in an orderly manner

We as Arusha Economic Coalition Believe that the up coming October 27 Local Government Elections Will be free and fair and support that the elections goes as planned the IEC is well capable to ensure That this is realised

I hope and trust that our submission will be considered

Yours Faithfully
Ally S Mlazi
Party Leader
