Subject: Submission re LGE on 27 October 2021

Dear Sir,

Apologies for our late submission.

We as the Northern Alliance in Port Elizabeth are of the view that elections must go ahead on 27 October 2021.

As an extra measure to help prevent the spread of COVID-19, we propose that all voters be allowed to vote on 25, 26 and 27 October without having to register for special votes. This will reduce congestion significantly at the polling station. There will be staff at the voting station in any case.

We trust that our submission will be considered.

Kind regards,

Gary van Niekerk

PRESIDENT: NORTHERN ALLIANCE
