Dear Mr D Moseneke

Party of Action (POA) wishes to make oral presentation to crystallize its stance that 2021 local government elections planned for the 27th of October ought to take place. POA on the 28th of May 2021, submitted Memorandum to IEC which outlined facts as to why political will of the citizens had to be protected and advanced through elections for evasion of constitutional crisis.

POA's responsive to your call to make submission is a demonstration of appreciation of your appointment to head inquiry. Copy of Memorandum that was received and signed by Deputy Chief Electoral Officer, Mr Sheburi is also attached.

Your response to this submission will elate the entire leadership of POA and all members.

Kind Regards

Mr B Nyaku (POA President)
