

# ACTIVE CITIZENRY

## YOUTH AND PARTICIPATORY DEMOCRACY

### #YouthVoteMatters

#### WHAT?

Youth are core to the development process of each nation, but their contributions will not achieve full impact unless they participate in their nation's decision making processes. Elections are a key part of making decisions and choices in your society.

#### HOW?

Become an **Active, Engaged and Responsible** member of South Africa's Democracy:

- Participate in our Voter Education and Voter Registration programmes to empower yourself.
- Take charge of your future and become an agent of the change you want to see in your community.
- Fully understand and exercise your civic and democratic rights and responsibilities.
- Cultivate a culture of democracy and active citizenry in your community.
